Internal Auditing is an independent, objective assurance and consulting activity designed to add value and improve an organization's operations. It basically aims at helping the organization to accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. It is also an effective tool for providing objective assurance and advice that adds values, influence change that enhances governance, assist risk management and control processes and improve accountability for results. It also provides valuable information to rectify the procedural mistakes and deficiencies and, thus, acts as an aid to the management. The periodicity of audit of a unit is regulated by its nature and volume of work and quantum of funds.

Internal audit and audit by C&AG are complementary in nature and taking into account the overall framework of accountability, both internal audit and external audit have their own roles to perform. In fact, internal audit is considered as an effective tool for reinforcing and improving managerial performance. The C&AG office itself has emphasized the necessity of having a strong internal audit system within ministry/department of the Government of India and it is reiterated by the second administrative reforms commission in its 14th report on "strengthening financial management system of Government of India". The working group constituted under the chairmanship of then Additional Secretary (Expenditure), Ministry of Finance with the approval of Finance Minister has also highlighted the need of regular internal audit system in Government of India. The working group in its report submitted on 22nd November, 2011 has also advocated the need of regular system of Internal Audit and Audit Committee in department which would lead to detection and prevention of financial irregularities and also enable the setting up proper financial

control system which would ensure that no adverse comments of C&AG are raised at later date. Therefore, Internal Audit is a strong instrument in the hand of Financial Adviser and Secretary of the Ministry being Chief Accounting Authority in terms of Rule-70 of GFR-2017 to ensure that cannons of financial propriety and higher standard of financial regulation are being maintained and followed and instructions are attended as soon as procedural lapses and irregularities are noticed so that statutory audit has little work left to do.

In pursuance of O/o Controller General of Accounts, Department of Expenditure, Ministry of Finance, OM no. G.25014/33/2015-16/MF.CGA/IAD/306-53 dated 15.05.2017 and as per provisions contained in Generic Internal Audit Manual (Version 1.0) issued by O/o CGA, Audit Committee has been constituted in this Ministry under the Chairmanship of AS & FA (I&B) with the approval of Secretary (I&B) and terms of reference of Internal Audit Committee has been defined in O/o CCA OM no. SCHEME OUTLAY FOR NER

Earmarking 10% of their Annual Plan Budgets by Central Ministries for the North Eastern Region is a bold step by the Union Government to address the development deficit of the NER. 10% of the Annual Plan Budget of 52 Ministries of the Union Government is earmarked every year for spending in NER since 1998-99 even though the NER has 7.9% (2,62,179 sq. km out of 3287263 sq. km) of India's land mass and 3.76% (4.55 crore out of 121 crore) of population as per Census 2011.

The Lump sum provision of projects / schemes for North Eastern Region and Sikkim should be made under the Major Heads '2552' for revenue expenditure and '4552' in case of capital expenditure. These are shown as lump sum provisions in the Statement of Budget Estimates(SBEs)and Detailed Demands for Grants of the respective Ministry/Department, initially. Such sums are subsequently re appropriated to the functional heads of accounts for the purpose of incurring the expenditure. Reappropriations from the lump sum provision from the Major Heads '2552' and '4552' are carried out with the approval of Secretaries of respective Ministry/Department.

During the last three years, Ministry of Information and Broadcasting has released a sum of ₹138.31 Crores to North Eastern States under various scheme. The details are as follows:

CHAPTER – 8

COMPUTERIZATION OF ACCOUNTS

The process of computerization of accounts in the Departmentalized Accounting Organization of M/o Information and Broadcasting started with computerization of accounting function by the O/o Controller General of Accounts, Ministry of Finance. The software titled COMPACT had been used in the Pay & Accounts Offices for computerization of a monthly consolidated account. In this Ministry all PAOs, voucher level computerization was being used on the software i.e. COMPACT. All the stages like pre-check, cheque writing, cheque review, scrolls, Transfer Entries and consolidation were being done by using this package. From the month of November, 2008 onwards the monthly account has been submitted to the O/o CGA after PAO wise adjustment of Put through Statement with online acceptance by the Principal Accounts Office. Window based applications like Microsoft Word and Excel are also used for preparation of Head-wise Appropriation accounts, Material of Union Government Finance Account (Civil) and monthly expenditure and receipt statements for submission to Ministry and for other MIS purposes.

From IMPROVE, COMPACT to PFMS, IT initiatives in accounting has been phenomenal:

A multi user software for use at the Pay & Accounts Office level was inducted to replace the existing IMPROVE Software. This software was developed with a view to computerise the work in all the Pay & Account Offices.

INITIATIVES ON E- PAYMENT

The e-payment system in all Pay & Accounts Offices of Ministry of Information & Broadcasting had been successfully implemented under phase-II from 2011 onwards.

PUBLIC FINANCIAL MANAGEMENT SYSTEM (PFMS)

Public Financial Management System (PFMS) initially started as a Plan Scheme named CPSMS of the erstwhile planning commission in 2008-09 as a pilot in four states of Madhya Pradesh, Bihar, Punjab and Mizoram for four Flagship schemes e.g. MGNREGS, NRHM, SSA and PMGSY. After the initial phase of establishing a network across Ministries / Departments, It has been decided to undertake National roll-out of CPSMS (PFMS) to link the financial networks of Central, State Governments and the agencies of State Governments. The scheme was included in 12th Plan initiatives of erstwhile Planning Commission and Ministry of Finance. Presently PFMS is the scheme of Department of Expenditure, Ministry of Finance and being implemented by O/o Controller General of Accounts across the country.

2. As per MoF, DoE, OM No.66 (29) PF-II/2016 dated 15/07/2016, Hon'ble Prime Minister has emphasized the need for improved financial management in implementation of Central Schemes so as to facilitate Just-in-Time releases and monitor the usage of funds including information on its ultimate utilization. The Public Financial Management System (PFMS) is administered by the O/o controller General of Accounts in the Department of Expenditure which is an end-to-end solution for processing payments, tracking, monitoring, accounting, reconciliation and reporting. It provides the scheme managers a unified platform for tracking releases and monitoring their last mile utilization.

3. In order to abide by the directions to implement Just-in-time releases and monitor the end usage of funds, it has been decided by Ministry of Finance to universalise the use of PFMS to cover all transactions/payments under the Central Sector Schemes. The complete monitoring of these schemes requires mandatory registration of all Implementing Agencies (IAs) on PFMS and

mandatory use of Expenditure, Advances & Transfer (EAT) module of the PFMS by all IAs. The Implementation Plan covers the complete universe of Central Sector Schemes, which inter-alia requires the following steps to be taken by each Ministry/Department: -

- (i) All central schemes have to be mapped /configured and brought on the PFMS platform.
- (ii) All Implementing Agencies (IAs) receiving and utilizing funds need to be mandatorily registered on PFMS.
- (iii) Usage of PFMS modules has to be made mandatory for all registered agencies for making payments, advances and transfers.
- (iv) All Departmental Agencies incurring expenditure in respect of Central Sector Schemes must register and compulsorily use the PFMS Modules.
- (v) All Grantee Institutions have to adopt PFMS modules for making Payments/Transfers/Advance from Grants received from the Central Govt. This will enable generation of on-line Utilization Certificates for claiming funds from the Central Government.
- (vi) Ministries have to take an action for integrating their respective systems/applications with the PFMS.

4. The Central Project Monitoring unit (CPMU) of PFMS (Shivaji Stadium, New Delhi) assists the Central ministries/Departments in registration of Implementing Agencies for the Central Sector Schemes. Thereafter, Ministries are required to deploy/allocate their own resource persons to support Departmental Agencies as well as Grantee Institutions. The full roll-out of PFMS requires fresh assessment of resources, including hardware, software, connectivity and technical resources to facilitate implementation at all levels of hierarchy.

5. It is the duty of Chief Controller of Accounts (CCAs) / Controller of Accounts (CAs) to draw up an Action Plan to facilitate full roll out of PFMS in their respective Ministries in consultation with the Secretary/Financial Adviser of the Ministry concerned.

Non Tax Receipt Portal (NTRP):

- The objective of Non-Tax Receipt Portal (NTRP) is to provide a one-stop window to Citizens/ Corporate /Other users for making online payment of Non-Tax Revenue payable to Government of India (GoI).
- Non-Tax Revenue of Government of India comprise of a large bouquet of receipts, collected by individual departments/ministries. Primarily these receipts come from Dividends, Interest receipts, Spectrum charges, RTI application fee, purchase of forms/magazines by students and many other such payments by citizens / corporate/other users.
- The online electronic payment in a completely secured IT environment, will help commonusers/citizen from the hassle of going to banks for making drafts and then to Government offices to deposit the instrument for availing the services.It also helps avoidable delays in the remittance of these instruments into Government account as well as eliminates undesirable practices in the delayed deposit of these instruments into bank accounts.

- NTRP facilitates instant payment in a transparent environment using online payment technologies such as Internet Banking, Credit/Debit Cards.
- NTR Portal in M/o Information & Broadcasting is functional from 1st November 2016.
- The collection of Non-tax revenue of the Ministry in the financial year (2023-24) was **₹1056.29 crore** through Bharatkosh on NTR e-portal (<https://bharatkosh.gov.in/>).

FAQs on NTRP are available at website link <http://cga.nic.in//Page/FAQs.aspx>.

Treasury Single Accounts (TSA) module:

Bringing Autonomous Bodies under TSA system has been done to facilitate release of Government grants to Autonomous Bodies (ABs)/implementing agencies 'just-in-time' and avoiding parking of funds in PSBs/accumulation of unutilised grants with ABs/agencies. This would also avoid cash transfers to ABs/agencies in lumpsum and facilitate drawdown from Government account as and when required.

Objective of TSA:

- To enhance the efficiency of fund flow to ABs by using the 'Just in time' principle for release of funds and thereby ensuring better cash management in Government of India.
- To decrease the interest burden of the Government by decreasing the quantum of borrowings.
- To avoid parking of funds released by Government to ABs in their Bank Accounts.

TSA system had been implemented in one of the ABs i.e. in Prasar Bharati of Ministry of Information & Broadcasting last year and TSA in remaining four ABs i.e. SRFTI, FTII, IIMC and PCI have also been implemented in the financial year 2022-23. Apart from ABs, TSA has also been implemented in NFDC (a PSU) during the financial year 2023-24.

Details of implementation of TSA in Ministry of Information & Broadcasting is given below:

Electronic bill (e-bill) system module in PFMS:

The Union Minister for Finance & Corporate Affairs Smt. Nirmla Sitharaman launched the Electronic Bill (e-Bill) processing system, announced in Union Budget 2022-23, on the occasion of 46th Civil Accounts Day. This is part of 'Ease of Doing Business (EoDB) and Digital India ecosystem' to bring in broader transparency and expedite the process of payments. It will enhance transparency, efficiency and faceless-paperless payment system by allowing suppliers and contractors to submit their claim online which will be trackable in real time basis.

The e-bill module of PFMS is developed in PFMS of the Office of CGA. PFMS is the payment platform managed by Department of Expenditure, Ministry of Finance through the Office of CGA for use of PAOs/DDOs of Central Ministries/Departments. The new system involves a Business Process Re-engineering (BPR) by leveraging the Information Technology in Central Government system to transform entire payment process in the paperless concept. The e-bill system aims to reduce the payment cycle time and enhance transparency and efficiency in Government payment system. It is a citizen centric approach in which the physical interface between claimants and Government authorities responsible for receiving and processing claims will be minimized.

This Ministry has 14 PAOs across the country out of which 08 PAOs are under the administrative control of Chief Controller of Accounts (I&B) and 06 PAOs are under the administrative control of Prasar Bharati. The e-bill module of PFMS was rolled out in 09 PAOs of this Ministry as per schedule provided by the O/o CGA during the financial year 2023-24 as detailed below:

Note:- The e-bill module of PFMS has also been rolled out in 02 PAOs (PAO, AIR, Lucknow and PAO, IRLA, New Delhi) of this Ministry during the financial year 2023-24. There are 05 PAOs of Prasar Bharati who are not processing any establishment related bills and are only processing GPF and pensionary benefits related bills. Therefore, these 05 PAOs are not falling under the e-bill protocol, presently. The e-bill implementation has been completed in all the eligible PAOs (9) of Ministry of Information & Broadcasting. This Ministry will now endeavour to enhance the percentage of bills processed through e-bill mode.

IRLA arrangement and role of PAO:

After departmentalization of Accounts of all the Ministries in 1976 Pay & Accounts Office (IRLA) came into existence along with other departmentalized Accounts Offices of other Ministries. The idea of IRLA system (Individual Running Ledger Account) originated to keep all service and payment details in a centralized system so that officers of media units of Ministry of Information and Broadcasting and Prasar Bharati, who have an all India transfer liability can draw their Salary conveniently. Pay & Accounts Office (IRLA) is maintaining service and salary records of IRLA Officers posted in various media unit offices of Ministry of Information & Broadcasting and offices of Prasar Bharati (Doordarshan & All India Radio) located in various cities all over India. This office disburses Salary payments to approximately 1300 serving officers and facilitates payment of pensionary benefits to almost 11400 retired officers of Ministry of Information and Broadcasting and Prasar Bharati.

Introduction of Bhavishya Portal/PFMS for finalization of Pension cases :

The computerization of pension systems in India has been a significant step towards improving efficiency, transparency, and accessibility in pension management. The **Bhavishya Portal** is an initiative launched by the Government of India to digitize and streamline pension-related processes. It is designed to simplify and automate various pension-related tasks for both employees and pensioners. It aims to enhance transparency, efficiency, and accessibility in the management of pensions.
