

## RECENT ACHIEVEMENTS OF ALL INDIA RADIO

- **IABM -Prasar Bharati training course:**

Staff Training Institute (Technical) successfully conducted International level course in collaboration with IABM in the first quarter of 2009. IABM - Prasar Bharati training course was fully sponsored by IABM from Tom McGann Bursary and titled as "Computerization and Digitalization in Radio Broadcasting. STI(T) has won the IABM bursary award for a record third time amid stiff competition offered by CBA member countries and other neighbouring countries like China. The sessions of the course were aimed at providing insight into modern digital technologies in the field of Radio Broadcasting. The courses were well attended by participants from reputed private broadcasters in country and countries like Mauritius and Nepal.

- **AIBD/CBA In-country Workshop on Digital Audio & Transmission Technologies:**

A 5 day in-country workshop was organized at Staff Training Institute (Technical) with effect from 16th to 20th February jointly by Asia-Pacific Institute for Broadcasting Development (AIBD), Commonwealth Broadcasters Association (CBA) and Prasar Bharati. 25 Operation & Maintenance Engineers of AIR Network and 2 faculty members from Film and Television Institute of India, Pune attended the course.
