CRS Cell, Room. No. - 116, A Wing, Shastri Bhawan, New Delhi

Dated- 08th April, 2025

NOTICE

The Ministry of Information and Broadcasting publishes a list of commissioned Community Radio Stations (CRSs) in India having valid GOPA, and this list is also used by the Central Bureau of Communication (CBC) for providing advertisements to CRSs.

The applications for financial assistance under the scheme "Supporting Community Radio Movement in India" are also restricted to operational CRSs. Therefore, it has been decided that all the operational CRSs are required to intimate the date of commissioning and validity of WOL in the prescribed format, else their names will be removed from the above mentioned list and defaulter CRSs will be delisted from all kind of assistance from Ministry, which may ultimately lead to cancellation of their GoPA. The advisory dated 02.04.2025 regarding the above may also be accessed at <https://mib.gov.in/>.

Therefore, all operational CRSs as well as upcoming CRSs are mandatorily required to intimate the Ministry in the format as placed at Annexure-1 on the letterhead of the organization/ licensee, within 15 days of the issue of this notice. Further, all new CRSs commissioned after 01.06.2025 are required to mandatorily inform us within 15 days of commission to avoid further complexities. A self-attested copy of the valid GoPA and WOL should be attached to the intimation letter in the aforesaid format.
