MESSAGE

I am glad that the Ministry of Information and Broadcasting is bringing out the latest edition of the *Statistical Handbook on Media & Entertainment Sector 2025-26*.

The media and entertainment sector is today a significant part of India's services economy. It contributes steadily to economic growth. Its canvas is wide. It covers audio-visual production, broadcasting, digital content, animation and gaming, advertising, and live entertainment.

The past decade has brought a structural shift. Delivery has moved to digital and platform-based models. Revenue models, value chains and employment patterns have all been reshaped.

I compliment the officers of the Ministry for collating data from varied sources for this publication. I am confident it will serve as a ready reference for all stakeholders.

Message

Ministry of Information and Broadcasting is bringing out the publication namely 'Statistical Handbook on Media & Entertainment Sector 2025-26,' a useful document that highlights the growth of India's media and entertainment sector. This handbook provides a detailed overview of the sector's progress and a reference document for all stakeholders in the sector.

Advancements in technology have transformed India's media & entertainment industry, changing the way content is created and accessed. Guided by the Hon'ble Prime Minister's vision of Viksit Bharat @ 2047, our focus on ensuring that high-quality media content is accessible to every citizen.

The recent initiative taken reflects our commitment to promoting a content-based industry, generating employment, and addressing information gaps in underserved areas.

The Indian Media and Entertainment Industry is growing at an exceptional rate, significantly attracting investments and contributing to the nation's growth. The Government is determined to foster innovation and investment, ensuring the continued growth of this sector.

I appreciate the efforts made by the Economic Wing of the Ministry of Information and Broadcasting for collating the data for publishing this handbook. It is a testament to our collective vision for a strong, inclusive, and innovative media & entertainment sector.

GOVERNMENT OF INDIA
MINISTRY OF INFORMATION & BROADCASTING

For informed decision-making and governance, there is a need for timely, reliable and comprehensive data. Media and Entertainment is an important segment of the service Sector which is growing at a healthy rate and has huge potential to contribute to GDP, create employment opportunities, increase the share in the export of services and attract domestic as well as foreign investment.

The Ministry of Information and Broadcasting is entrusted with the task of disseminating information about Government policies and programmes through the medium of mass communication. The Ministry is also the focal point regarding policy matters related to the private broadcasting sector, administering the public broadcasting service - Prasar Bharati, film promotion and certification and regulation of print media. To discharge the mandate given to this Ministry efficiently, quality of data on the various aspects of the sector would need to be better.

Keeping in view the data requirement of the Ministry and other Stakeholders in the sector, the **Statistical Handbook on Media & Entertainment** which was initiated in the year 2022-23 has been revised with updates to publish the fourth edition.

I appreciate the efforts made by the Economic Wing of this Ministry to bring out the fourth edition for the year 2025-26.

I hope this publication will continue to serve as a dependable reference for policymakers, researchers, industry and other stakeholders engaged in the development of India's Media and Entertainment sector.

Preface

The Ministry of Information and Broadcasting is the face of the Government of India in reaching out to the masses. The important task of disseminating information about government policies, schemes and programmes through different media vehicles is entrusted to the Ministry. Radio, television, films, press and print publications, digital and social media, posters, advertising, and traditional modes of communication such as dance, drama, folk recitals, puppet shows – all these are effectively brought into play by the Ministry and its media units in dissemination and free flow of information. The Ministry is also the focal point regarding policy matters relating to private broadcasting, administering of the public broadcasting service (Prasar Bharati), multimedia advertising and publicity of the policies and programmes of the Government of India, film promotion and certification and regulation of print and digital media. For taking policy decisions and their successful implementation the data on different segments of Media and Entertainment is an essential input.

From the economic point of view Media and Entertainment is an important segment of the service Sector which is growing at a faster rate and has huge potential to contribute to GDP, creating employment opportunities, increasing share in export of services and attracting domestic as well as foreign investment.

The Ministry plays an important role in regulating as well as promoting the growth of the sector. The data plays a vital role in taking appropriate policy decisions on the mandate given to this Ministry. Though data is available in different organizations within the Ministry and outside, but the consolidated data will facilitate evidence based decision-making and enhance efficiency and outcome of the decisions taken.

Keeping this in view, the Statistical Handbook on Media and Entertainment Sector which was initiated in 2022-23 by collecting and collating relevant data from various sources, now been revised with updated data to capture developments in different segments of the sector and make the contents more comprehensive. Apart from this, some additional fields of data are also included in this fourth edition of the Publication of 2025-26.

Any suggestions to improve the content of the publication further are most welcome.

Chronology of Landmark Events in Private FM Radio Stations

Sr. No.	Landmark event	Date
1	Government of India allowed private sector Indian companies to set up private FM Radio Stations in a phased manner.	9 th Five Year Plan (1997-2002)
2	Phase-I: First phase was launched by Ministry of Information and Broadcasting (MIB) in 1999, during this phase total 108 channels in 40 cities were offered to private agencies in the FM spectrum band (88-108 MHz). The permission for operation of the Channels was awarded for a period of 10 years. To award these permissions, a multiple round auction mechanism was followed. Out of 108 channels, the bid amount was paid only for 37 channels. of these 37 channels, 21 channels became operational.	1999
3	Phase-II: The Government announced the policy for Phase-II of Private FM radio broadcasting 2005. In Phase-II, a two-stage bidding process i.e. eligibility and financial bidding was followed. A total of 337 channels were put on bid across 91 cities with a population equal to or more than 3 lakhs. of 337 channels, 284 were successfully bid and, after scrutiny, permission was given for 245 channels spanning 87 cities. In Phase-II, 222 channels became operational. All the 21 operational channels of Phase-I also migrated to Phase-II after paying the migration fee. In total, 243 FM radio channels became operational in 86 cities in Phase-II.	13 th July, 2005
4	Phase-III: Policy Guidelines for Phase-III of Private FM radio broadcasting were issued by the Government in 2011. The permission for the channels shall be granted on the basis of Non-Refundable One-Time Entry Fees (NOTEF) and is valid for a period of fifteen years. Total 232 channels were migrated from Phase-II to Phase-III during the year 2015 and 2016 after paying the migration fee (Non-Refundable One-Time Migration Fees) amount of around Rs. 1744 crores. The e-auction for the channels to be taken up in Phase-III will be in batches. Further, in Phase-III expansion of FM radio, 839 FM radio channels were made available for auction.	25 th July, 2011

Table 5.9**Setting up of Indian Institute of Creative Technologies (IICT)– Chronology of Events**

1.	NCoE is traced back to 12 th Plan Scheme and the budget announcement by Hon'ble Finance Minister during FY 2014-15 said to set up National Centre of Excellence (NcoE) in Animation, Gaming and Special Effects.
2.	In financial year FY 2022-23, an AVGC Promotion Task Force was constituted on 08.04.2022 headed by Secretary, MIB with 42 representatives from Central and State Governments, AVGC Industry, its associations and academia.
3.	Four Sub-Task Forces were constituted to focus on areas of Education, Skilling, Gaming and Industry & Policy.
4.	The AVGC Promotion Task Force submitted its report in December, 2022 and recommendations of the Task force and gauging the importance of the AVGC sector, the Central Government decided to set up the NcoE.
5.	The NCoE was approved by the Union Cabinet on 18.09.2024 and has been formally named the Indian Institute of Creative Technologies (IICT) and registered as a Section 8 Company under the Companies Act, 2013 with a one time budgetary support of Rs. 391.15 crore.
6.	The company was incorporated on 25.12.2024, with a shareholding structure of 34% by the Government of India, 14% by Government of Maharashtra and 26% each by FICCI and CII, who represent the collective interests of the AVGC-XR industry.
7.	The IICT will operate on a 10-acre plot at Dada Saheb Phalke Film City, Goregaon, Mumbai, for which a lease deed was signed between the Ministry of Information & Broadcasting and the Government of Maharashtra on 08.10.2024.
8.	The first Board meeting of the Company was held on 17.01.2025. Since February, 2025, IICT has been functioning from the National Film Development Corporation (NFDC) campus, Mumbai.
9.	The Chief Executive Officer (CEO) and Chief Operating Officer (COO) were appointed on 24 March 2025, on the same day the Government grant of ₹391.15 crores was received
10	The Temporary Campus was inaugurated on 18 July 2025 by Hon'ble Minister of Information and Broadcasting Shri Ashwini Vaishnaw and Hon'ble Chief Minister of Maharashtra Shri Devendra Fadnavis. The launch event also marked the rollout of 18 industry-aligned courses in AVGC-XR (Animation, Visual Effects, Gaming, Comics, and Extended Reality).
11	The Architect Evaluation Committee was approved in June 2025, and VKU Architect was formally onboarded by July 2025. Technical and financial bid evaluations, alongside audit reports, were completed.
12	The handover and takeover of all floors at the NFDC campus were successfully completed in November 2025. Additionally, an affordable student hostel was established within 30 days of approval at the Doordarshan Building in Worli.

13	The first faculty member was appointed in July 2025, and academic programmes were formally launched in October 2025.
14	The institute achieved 100 student enrolments within just 60 days of launching the first course, with the first admission revenue recorded on 1 September 2025.
15	By October 2025, IICT had signed 11 institutional MoUs and had 5 additional collaborations finalised, significantly boosting its national and international footprint.
16	5 January 2026: Two-Year Diploma Programme launched
17	January 2026: CSR registration successfully obtained

Section-wise details are as under:			
1	The Press and Registration of Books Act, 1867	The Press and Registration of Books Act, 1867 is replaced by <u>The Press and Registration of Periodicals Act, 2023</u>	The Press and Registration of Periodicals Act, 2023 (PRP Act, 2023) revolutionizes the registration process for periodicals, introducing a seamless online system for title allotment and registration without the need for physical submissions. This efficient approach, particularly advantageous for small and medium publishers, eliminates the requirement to file multiple declarations with District Magistrates. Instead, publishers will now submit a single online application through the

			Press Sewa Portal, streamlining the entire process that previously involved eight steps. Notably, the 2023 act also marks a significant shift towards decriminalization as compared to the stringent provisions of the Press and Registration of Books Act, 1867. These changes collectively aim to modernize and simplify the registration landscape, fostering an environment conducive to the swift and efficient initiation and running of publications.
2	The Cinematograph Act, 1952	Section 7,8,14,15	The Cinematograph Act, 1952 amended for decriminalizing and rationalizing offenses to further enhance trust-based governance for ease of living and doing business. Section 7,8,14,15 of the 1952 Act are amended through the Jan Vishwas (Amendment of Provisions) Act, 2023.
3	The Cable Television Networks (Regulation) Act, 1995	16,17,18	With an aim to make the Cable Television Networks (Regulation) Act, 1995 more business-friendly and to boost the investor confidence in the sector, punishments specified under Section 16 were re-examined and were decriminalized through the Jan Vishwas (Amendment of Provision) Act, 2023. The imprisonment provisions have been now replaced with monetary penalty and other non-monetary measures like Advisory, Warning and Censure. These measures will be enforced through the “designated officer” defined in the rules notified today. Moreover, Section 16 now introduces an appeal mechanism against the order made by designated officer. Sections 17 and 18 were omitted for being redundant.

Table No. 9.5
List of Portals for Ease of Doing Business by Ministry of I&B

The Ministry of Information and Broadcasting has launched different transformative portals that seek to revolutionize the media landscape in India. The portals, inter alia, will ensure ease of doing business by fostering a more conducive business environment for newspaper publishers and TV channels, and enhance transparency and efficiency in government communication. These portals are-

Sr. No.	Portal	Function
1.	<u>Press Seva Portal</u>	It is an online facility for registration of periodicals and other related services to publishers. Helps in filing applications for registration by publishers, submission of annual returns, and other details as required under the PRP Act 2023. Aims to simplify registration procedures.

Sr. No.	Portal	Function
2.	<u>CBC's TEMPEST</u> (Transparent Empanelment, Media Planning, and eBilling System) for the Central Bureau of Communication (CBC).	The new system will streamline CBC's empanelment of newspapers, periodicals, TV, Radio, and digital media, issue of release orders, submission of bills online, processing of bills and payments, etc. It is also designed to enhance transparency and efficiency in media planning processes and provide an end-to-end ERP solution for the media industry. Also provides quick grievance resolution through a chatbot-based interactive software.
3.	<u>NaViGate Bharat portal</u>	NaViGate Bharat portal (National Video Gateway of Bharat) is a unified platform for videos related to achievements and schemes of the Government of India. Users can search, stream, share, and download videos related to government initiatives, with advanced search options and dedicated pages for Ministries.
4.	National Register for Local Cable Operators (LCOs)	This will create a comprehensive database of Local Cable Operators (LCOs) enabling the Government to streamline regulatory processes in the cable television sector in the future.
5.	<u>Broadcast Seva portal</u>	This online platform streamlines the application processes for various broadcast services, fostering sector growth and aligning with the government's "Ease of Doing Business" initiative. The Ministry launched a revamped version of the Broadcast Seva portal on April 4, 2022.
6.	Policy Level Intervention for Private Satellite TV Sector	The Ministry of I&B has revised its policy guidelines, which have been notified in November 2022. The consolidated Guidelines aim to ease the process of issuing permissions to companies and Limited Liability Partnerships (LLPs) registered in India for the uplinking and downlinking of television channels, setting up of teleports and teleport hubs, and the use of various news-gathering systems.
7.	<u>Prasar Bharati – Shared Audio Visuals for Broadcast and Dissemination</u> (PB-SHABD)	Launched in March 2024, PB-SHABD is a news sharing service by Prasar Bharati, DD News, Akashvani News, and the updated News on AIR mobile app, offering clean feed news stories in major Indian languages across fifty categories. This service is available free of cost for the first year as an introductory offer. It provides daily news feeds in video, audio, text, photo and other formats to the subscribers from media landscape.
8.	India Cine Hub	The Ministry of Information & Broadcasting, Government of India, set up the India Cine Hub (ICH) in NFDC with a view to promote and facilitate film shootings by foreign filmmakers in India. The services rendered by the India Cine Hub (ICH) have now been extended to Indian filmmakers as well. It acts as a single-window facilitation and clearance mechanism that eases filming in India, as well as endeavoring to create a film-friendly ecosystem and promoting the country as a filming destination.

Sr. No.	Portal	Function
9.	LCO Online Portal	M/o I&B has launched an online module (as an extension to Broadcast Seva Portal) for registration of Local Cable Operators (LCOs) on 17.01.2025. The online module aims to minimize human intervention and promote ease of doing business in the sector. Upon successful verification of applicant details, including Aadhaar, PAN, CIN, DIN etc., LCO registration certificates are being issued in real-time. Also, a provision for appeal against the denial of registration or renewal for LCO registration has been added.
