MINISTRY OF INFORMATION & BROADCASTING

(Plan Coordination Cell)

Subject:-Approved Annual Plan 2009-10- Regarding

Reference is invited to Ministry of I & B ID No.4/34/2008-PC(Vol.VI), dated 05/02/2009 conveying the interim allocation approved by Planning Commission for Annual Plan 2009-10 of the Ministry of Information & Broadcasting.

2. Planning Commission has now approved and made allocation for Annual Plan 2009-10 in respect of Ministry of I&B for the full year 2009-10 and the same has been fixed at Rs.800.00 crore (Gross Budgetary Support) with the introduction of a new Plan Scheme i.e., "J & K Border Areas". The Sectoral break-up has been approved as follows:-

(Rs. in crore)

SI. No.	Sector	GBS	IEBR	Total
1.	Information sector	66.00	0.00	66.00
2.	Film Sector	60.00	0.00	60.00
3.	Broadcasting Sector	419.00	0.00	419.00
4.	J & K Border Areas (New Scheme)	100.00	0.00	100.00
5.	Commonwealth Games & Related Programmes	155.00	0.00	155.00
	Total:	800.00	0.00	800.00

- 3. The approved Media-Unit-wise allocation (Annexure I), duly signed by AS&FA, Ministry of I & B and Adviser in the Planning Commission and the Scheme-wise break-up (Annexure II) signed by AS&FA, Ministry of I & B are circulated herewith. Before incurring expenditure out of Plan budget, the following steps should be completed:
- (i) Necessary "in-principle" approval of the Planning Commission should be obtained immediately in the case of schemes where approval has not yet been obtained.

- (ii) Necessary approval of SFC/EFC should be obtained at the earliest so that the implementation starts immediately.
- 3.1 Relevant orders in this regard are contained under Rule 18 of the DFPRs, 1978 and other instructions in this regard.
- 4. All Media Units/Organizations should incur expenditure of an amount exceeding 2-3% of their Budget for initiatives relating to furthering the use of Information Technology, including training, acquisition of hardware and software as well as development and maintenance of software, e-governance, etc. Media Units/Organizations are, therefore, requested to work out Action Plan for IT and forward the same to the concerned Administrative Divisions in the Ministry with a copy to Plan Coordination Cell. The progress in this regard will be monitored by the Planning Commission through the Half Yearly Performance Review reports. To facilitate monitoring of progress made in this regard, schematic break up of the outlays allocated for IT may be maintained / shown separately in the HPRs to be submitted in prescribed Proforma at the end of each half-year.
- 4.1 At least 10 per cent of the GBS should be earmarked for North Eastern States. NE Division of Planning Commission and the Ministry of DONER should be consulted while planning such expenditure and also for the approval of related projects / schemes.
- As Heads of Departments/Media Units are aware, instructions have been repeatedly circulated to ensure phased and balanced Plan expenditure. Their attention is again drawn to Ministry of Finance guidelines that only 1/3rd of the Annual allocation can be spent in the last quarter of the financial year and reiterated that expenditure during 2009-10 should be evenly spread over the financial year and release / expenditure closely monitored. This will also help in monitoring the progress of outcomes of Plan expenditure in Half Yearly Performance Review (HPR) for which meetings are held regularly in Planning Commission. Media Units etc. are also requested to furnish their expenditure information giving details of Capital and Revenue component.

Encl.: As above.
