

No. N-45011/25/2022-DAS  
Government of India  
Ministry of Information and Broadcasting

Room No. 554-A, 'A' Wing  
Shastri Bhawan, New Delhi – 110001  
Dated: 14<sup>th</sup> February, 2024

**ORDER**

This Ministry has granted registration to Multi- System Operators (MSOs) to provide cable television services through digital addressable systems (DAS). The details of some of these MSOs, hereafter "Scheduled MSOs", along with their registration information, have been tabulated and enclosed as Schedule attached to this order.

2. One of the terms and conditions of the MSO registration was that MSOs shall comply with the provisions of the Cable Television Networks (Regulation) Act, 1995, and the Rules made thereunder, as amended, and adhere to all the terms and conditions of the registration. Failing to do so, the registration granted is liable to be cancelled or suspended.

3. According to Regulation 15(1) of the Interconnection Regulation, 2017, it is mandatory for every distributor of channels to conduct an audit of their system once in a calendar year. However, as per the information shared by TRAI, the Scheduled MSOs have not conducted audit of their system for the calendar years 2021 and/or 2022. Also, Scheduled MSOs were requested to furnish information of subscribers available on their network under Rule of 10A of the Cable Television Networks Rules, 1994. Taking into account non-compliance, this Ministry had marked the status of these MSOs as "Non-Compliant".

4. Furthermore, through this Ministry's advisory dated 23.03.2023, all broadcasters were advised not to enter into interconnection agreements with "Non-Compliant MSOs" and to notify the non-compliant MSOs with whom they already have interconnection agreements.

5. However, despite being classified as "Non-Compliant", the scheduled MSOs have not made any references to this Ministry for the alteration of their status to "Compliant". Accordingly, an advisory dated 01.08.2023 was issued to these MSOs in which they were requested to furnish the requested documents and get their status changed to "Compliant" by 15.08.2022.

*Sushash Kumar*

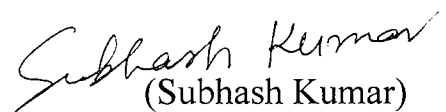

6. However, it was observed that the scheduled MSOs did not provide the requisite clarification/explanation within the stipulated period, therefore, a Show Cause Notice dated 04.09.2023 was issued to these MSOs in which they were asked to furnish the reasons for their non-compliance with the terms and conditions of MSO registration. Time period of 15 days was granted to the scheduled MSOs to furnish the requisite response. Thereafter, further opportunities were provided to the scheduled MSOs vide communication dated 25.09.2023 and Advisory dated 03.01.2024, granting time upto 31.01.2024 for change of status from “Non-Compliant” to “Compliant”.

7. However, it has been observed that despite lapse of the given period, the scheduled MSOs have failed to provide the requisite information or even to make any reference to this Ministry regarding their compliance status. By doing so, these MSOs have continued to remain in contraventions outlined in preceding paras.

8. Therefore, in view of the above and in exercise of power conferred under Section 4(7) of the Cable Television Networks (Regulation) Act, 1995, the MSO registration of the scheduled MSOs are hereby cancelled with immediate effect.

9. Notwithstanding cancellation of registration, the Scheduled MSOs shall continue to provide the services to the existing customers for the next 30 days i.e. till 15.03.2024 to allow them sufficient time to shift to the other distribution platform operators. During the period of these 30 days, the scheduled MSOs shall inform the subscribers, through scrolls on the channels the date of disconnection of signals.

10. Appeal against this order, if any, lies with the Secretary (Information and Broadcasting), provided that such an appeal is made within 30 days of issue of this order.

  
(Subhash Kumar)

Deputy Secretary to the Govt. of India

To  
MSOs (as per Schedule)
