Subject: Cadre Review of Indian Information Service (IIS) – reg.

In order to initiate the 5th Cadre Review of IIS all Media Units (participating organizations of IIS) and IIS Associations are requested to provide their comments/inputs.

2. All Media Units are requested to assess their manpower requirement for the next five years and intimate station-wise functional requirement of each post borne on their strength. The Media Units may submit the detailed justification for additional requirement of manpower (station-wise). On the same analogy, detailed justification may be sent in the cases of upgradation/ downgradation/ merger of any post (station-wise).

3. Media Units are further requested to identify isolated posts within their domain which are lying vacant and can be manned by the IIS officers for encadrement in the Indian Information Service. However, while making this assessment, ERCs recommendation and instructions issued by Ministry of Finance, DoP&T etc. and need to show matching savings may be taken into consideration.
