Dated 26<sup>th</sup> April, 2022

**NOTICE**

The Ministry of Information and Broadcasting grants permission to eligible organizations for setting up Community Radio Stations in the country. The permission is granted after obtaining clearances from several Ministries/Departments, including Wireless Planning & Coordination (WPC) Wing of D/o Telecommunications. WPC Wing conveys availability/non-availability of frequency spot in respect of each Community Radio application. As of 20<sup>th</sup> April, 2022, the M/o Information and Broadcasting has a list of 222 applications (list enclosed), wherein WPC Wing conveyed non-availability of frequency spots. These applications could not be processed further in the absence of available frequency spots.

2. Recently, the Ministry, in consultation with WPC Wing, has closed/cancelled several applications which were assigned frequency spots, thereby freeing up these assigned frequency spots. It is, therefore, issued in public interest that all eligible and interested organizations/institutions, including those wherein WPC Wing conveyed non-availability of frequency spots, may apply for permission to setup Community Radio Stations online at <https://new.broadcastseva.gov.in>.
