

GOVERNMENT OF INDIA
MINISTRY OF INFORMATION & BROADCASTING
New Delhi

Dated: 09/01/2015

NOTICE

Subject: Request for applications for temporary uplinking permissions for live uplink of various events by non-News TV channels.

Instructions were issued on 12/03/2010 and re-iterated from time to time that applications for temporary uplinking permissions may be submitted to the Ministry at least 15 days prior to the proposed starting date of uplinking of such events. It may be borne in mind that after permission from this Ministry W.P.C wing under MC & IT also requires reasonable time to process such applications.

It is therefore re-iterated that the applications for temporary uplinking may be submitted to the Ministry 15 days prior to the proposed event, else this Ministry may not be in a position to entertain such requests. Strict compliance to these instructions will ensure smooth functioning at both Ministries in order to process the broadcasters requests well in time.
