

No.1403/01/2016-TV (I)
MINISTRY OF INFORMATION & BROADCASTING
TV(INSAT) Section

Dated: 21.09.2016

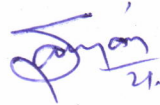

NOTICE

Subject: Timely applications for temporary uplinking permissions for live uplink of various events by Non-News & Current Affairs TV channels.

It has been observed in this Ministry that while applying for permission for uplinking of various events for temporary uplinking permission some applicants are applying at the very last moment, sometimes just a few days prior to or the day before the scheduled events, thus not allowing this Ministry even the minimum processing time to work on those applications.

In this regard as notified from time to time, the last being issued on 09.01.2015 on this Ministry's website, applications for temporary uplinking permissions are required to be submitted to this Ministry at least 15 days prior to the proposed date of uplinking of the event. It may be borne in mind that after permission from this Ministry, WPC wing under Ministry of Communications and Information Technology also requires minimum 3 days' time to process such applications.

All the companies, firms etc. applying for temporary uplinking permission are hereby informed that they need to apply minimum 15 days prior to the scheduled events as mentioned in the application form of temporary uplinking permission, failing which such applications would be rejected. Strict compliance with these instructions will ensure timeliness in processing of the requests.
