(DAS SECTION)

NOTICE

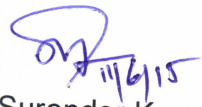

File No. : 9/2/2015-BP&L

Dated: 11th June, 2015

Subject: Provision to grant Provisional Registration to Multi System Operators for operating in DAS notified areas.

A large number of applications for grant of MSO registrations have been received in the Ministry. All complete applications have been sent to Ministry of Home Affairs for security clearance, as security clearance is mandatory as per rule 11C of the Cable TV Networks Rules, 1994 for grant of MSO registration. However, as per rule 11E of the Cable TV Networks Rules, 1994, there is a provision to issue provisional registration on preliminary scrutiny of application provided:

- i. That such provisional registration shall not confer any right to the applicant to claim regular registration;
 - ii. That where regular registration is refused to be granted by the registering authority, the provisional registration so granted shall stand cancelled.
2. Therefore, the applicant MSOs who have not been convicted by any Court of Law and who are interested to get a provisional registration, may send their willingness to the Ministry along with an Affidavit in the proforma as per **Annexure – I**.
3. However, the following applicants shall not be considered for provisional registration:
- i. Whose applications are incomplete,
 - ii. Who do not furnish the affidavit and their willingness to obtain provisional registration,
 - iii. Who have been denied security clearance earlier, and
 - iv. Whose parent and/or subsidiary company(s) has/have been denied security clearance earlier.
