ORDER

Subject : Provision of processing fees on account of change of satellite, channel name/logo, language of channel, category of channel, teleport and teleport location under Guidelines for uplinking from India.

Ministry of Information & Broadcasting, Government of India had notified the Guidelines for Uplinking from India on 2.12.2005. As per these guidelines, inter-alia, permissions are granted to the companies for setting up of uplinking hubs/teleports, uplinking non-news & current affairs TV channels from India, uplinking news & current affairs TV channels from India, uplinking by Indian News Agencies and use of SNG/DSNG Vans/Flyaway Terminals.

2. It has been noticed that the companies seek frequent permissions from this Ministry for change of satellite, channel name/logo, language of channel, category of channel, teleport and teleport location and sometimes immediately after the aforementioned permissions are granted to them.

3. It has therefore been decided to henceforth charge a processing fee of Rs.25,000/- (Rupees Twenty Five Thousand) from the companies if a request to seek the aforementioned changes is received within a period of one year of the earlier approval. This order will be effective from the date of issue.
